Hi Stan

That would be fine. If there is anyone else you would like to bring feel free.

We will likely have the same attendees from EPA attend with possible addition of one or two others. I assume that Bob Schick, Mike Ryan and Jim Harrington will attend for DEC; I am not sure if they will bring their section chief or project manager. I will let you know the expected attendees after I hear back from DEC.

Thanks

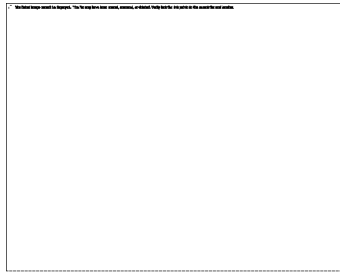

Doug

Doug,

Mike and I planned on having Paul and Rich come to the meeting next week to discuss the strategic areas mentioned in the EPA letter. We assume the invitation was extended to them since they are our consulting engineers? Thank you.

Thanks Mike

All have confirmed for the 16th. EPA looks forward to the meeting.

Also, the pdf of George's 12-5 letter that I sent out on Friday did not have a date stamp. Attached is a pdf of the date stamped letter.

Regards,

Doug

Hi Stan and Mike

Please find attached a letter from George summarizing some of the key discussion points from our meeting on November 25.

Stan thanks for accepting the meeting invite for December 16; hopefully Mike will be able to accept it as well.

Have a nice weekend.
